Global e-Innovation Award - 2018

Bolohan Romeo,
Country: Romania

Sub: Global E-Innovation Award – 2018 Announcement.

Congratulations!!

We are pleased to inform you that you have been selected as one of the lucky winner of “Global e-Innovation Award - 2018”. This year’s contest witnessed an overwhelming response across the Globe.

Our judging panel - which comprised of eminent educationist and technology experts - felt that the contributions you have made to society using innovative ways of teaching were worthy of special recognition.

We thank you for your participation in this world wide Mega Event & look forward to continuity in your innovative efforts for the welfare of society and humanity in future.
